Colour Guide for Paint Professionals

Excellence
in paint
since **1890**

Confident about colour

For the perfect colour scheme you can rely on Johnstone's. Since 1892, Johnstone's has remained at the forefront of paint technology and development and is trusted by paint professionals to deliver superior performance and exceptional finish first time every time.

The Johnstones colour guide has been compiled for the professional decorator, offering a collection of over 350 classic, popular and latest colour trends, to help you easily select the perfect colour scheme for home or work environments. If you cannot find the exact colour you are looking for Johnstone's have an advanced tinting system which offers a further 16,000 colours to choose from.

To see the full range of colour available consult the Johnstone's fan deck or colour display stand.

Product Overview

Welcome to the Johnstone's Trade product overview. This professional overview is a quick reference to some of the products in the Johnstone's Trade range, with specific product benefits, technical details and handy information to help you with every type of job, whether it be internal or external decorating work.

For further product guides and technical information please visit www.johnstonestrade.com or call our Technical Advisory team on 01924 354100.

INTERIOR WALLS & CEILINGS

PRODUCT	SIZE (LTR)					WATER/ SOLVENT BASED	COVERGE (M ² PER LTR)	RECOAT (HRS)	FINISH	KEY BENEFITS
	1	2.5	5	10	15					
 Covaplus Vinyl Matt	•	•	•	•		Water	12-14	2-4	Matt	Vinyl matt emulsion with excellent coverage & opacity. Perfect for hiding surface imperfections.
 Jonmat Contract Matt			•	•	•	Water	12-14	2-4	Matt	Premium contract matt emulsion which offers ultimate obliteration and good opacity, ideal for new plaster.
 Acrylic Durable Matt		•	•	•		Water	11-13	4	Matt	Acrylic technology in a matt finish, up to 10 times tougher and more washable than standard emulsions. Ideal for high traffic environments.
 Dry Lining Paint				•		Water	12-14	2-4	Matt	Specialist matt emulsion which offers ultimate obliteration and good opacity ideal for a uniform finish over jointed plasterboard.
 Flat Matt	•	•				Water	12-14	2-4	Flat Matt	High quality and contemporary dead flat finish which provides excellent opacity and coverage.
 High Opacity Matt			•			Water	8	4	Matt	High opacity vinyl matt emulsion designed to achieve a two coat application in just one coat.
 Vinyl Soft Sheen	•	•	•			Water	12-13	3-4	Soft Sheen	Vinyl soft sheen emulsion, mid sheen finish providing a scuff resistant, wipeable finish.
 Vinyl Silk	•	•	•	•		Water	10-12	3-4	Silk	Vinyl Silk emulsion providing a durable, washable and fade resisting high quality silk finish.
 Acrylic Eggshell	•	•				Water	11-13	3-4	Mid Sheen	Acrylic technology in a mid sheen eggshell finish, up to 10 times tougher and more washable than standard emulsions.

INTERIOR TRIM, WOOD & METAL

PRODUCT	SIZE (LTR)					WATER/ SOLVENT BASED	COVERGE (M ² PER LTR)	RECOAT (HRS)	FINISH	KEY BENEFITS
	1	2.5	5	10	15					
 Professional Gloss	•	•	•			Solvent	16-18	16-24	High Gloss	Traditional solvent based gloss offering superb coverage, opacity and durability.
 Professional Undercoat	•	•	•			Solvent	16-18	16-24	-	Traditional solvent based undercoat offering superb coverage, opacity and durability.
 Eggshell	•	•	•			Solvent	18-20	16-24	Mid Sheen	Traditional solvent based mid sheen eggshell offering superb coverage, opacity and durability.
 Aqua Water Based Gloss	•	•	•			Water	10-12	4-6	Gloss	Tough, quick drying, low odour water based gloss.
 Aqua Water Based Undercoat	•	•	•			Water	10-12	4-6	-	Tough, quick drying, low odour water based undercoat.
 Acrylic Satin	•	•	•			Water	12	4	Satin	Tough, washable acrylic satin finish which is quick drying and non yellowing.

EXTERIOR SURFACES

PRODUCT	SIZE (LTR)					WATER/ SOLVENT BASED	COVERGE (M ² PER LTR)	RECOAT (HRS)	FINISH	KEY BENEFITS
	1	2.5	5	10	15					
 Smooth Masonry	•	•	•			Water	9-11	4-6	Matt	Water based masonry product suitable for most exterior applications with excellent colour retention.
 Textured Masonry			•			Water	6-8	4-6	Matt	Water based masonry product which offers excellent coverage and a textured finish.
 Pliolite Based Masonry			•			Solvent	6-10	16-24	Matt	Solvent based masonry product that can be applied all year round and is showerproof in 20 minutes.
 Self Cleaning Masonry			•	•		Water	10	12	Matt	Innovative self cleaning masonry product which helps exterior coatings stay cleaner and attractive for longer.
 Flexible Gloss	•					Solvent	14-16	16-24	Gloss	Flexible solvent based gloss which provides increased durability over conventional glosses.
 Flexible Primer Undercoat	•					Solvent	11-13	16-24	-	Dual purpose primer and undercoat in one which offers extended flexibility to coatings.

Please note, all quoted recoat drying times are dependent upon temperature and humidity. Exterior masonry paint coverage figures are only an approximate guide due to the variation of different building surfaces and may be reduced.

If you haven't found the colour you're looking for, call into your nearest decorating centre or visit www.johnstonestrade.com
